About Us
Elite Medical is a family owned and operated company who, since October 1986, have been dedicated to serving the healthcare sector by providing high quality, cost effective and environmentally responsible surgical instruments, equipment and consumables.

Our Values
INTEGRITY - We act with honesty and transparency, always doing what is right by our stakeholders.
SERVICE - Our customers are our number one priority, therefore we respond to your enquiry with enthusiasm, professionalism and efficiency.
PROGRESS - We are continuously improving our processes in order to remain at the forefront of our industry.

Our People
We believe our people are the most important part of our business. Therefore our team is made up of the most passionate specialists in their field. Our business development managers are committed to searching out innovation and our customer service team go the extra mile to not only meet but exceed your expectations.

Our Community
Elite Medical is 100% Australian owned and operated so we have a practical understanding of your needs. In addition, we are dedicated to being good corporate citizens. In order to achieve this we regularly support charities such as Careflight and the Royal Flying Doctor Service. And we are always improving our practices to ensure they are environmentally responsible.

Exactly the specialised medical supplies you want, when you need them.
